

## This is how we love

Jazz Money

Loved one let me lift you,  
Let me tell you of your beauty –  
Of this family,  
A whole world waiting here for you.

It's love that brings us together,  
Love that defines us –  
Without boundary, without binary,  
This is how we love.

A family of joy,  
A family of care.  
With open arms, open hearts,  
This is how we love.

This is the place,  
We come into bloom.  
You see me as I am,  
This is how we love.

Brother, sister, sibling, lover, mother –  
Those who raise us, save us, make us,  
This is how we love.

You matter, we matter,  
This is how we love,  
This is how we love.
